

Business Portraits

Having your business portrait taken at Risney Photo & Design is super easy!

1. Arrive at studio
2. Spend 5-8 minutes in front of the camera.
3. Chose your best image.
4. Receive your beautifully retouched photo via email later that day.

For companies that want **multiple portraits done at one time**, special pricing can be provided by quote based on the number of portraits taken and whether the photos are taken at the studio or need to be shot somewhere else.
