

Price List on Restoration

Restoring old photos takes time and skill to bring life back into old prints. Here at R Legacy Preserved, we aim to provide you with an end result you will be happy to treasure for years to come. There are many ways to approach each restoration so don't hesitate to discuss options and figure out what is best for your particular project.

Services

- Basic Scan & Basic Restore (10 minutes or less) Includes minor color correction, some dust spotting, minor stains fixed, small imperfections, etc \$10 per image
- Photo Shoot & Basic Restore (unusual size or object that can't be scanned) \$30 per image
- Additional work on image \$60 per hour
- Outline one subject and replace with new background \$10 for one
 Additional subjects in photo \$4 per subject
- Extensive restoration that needs to be sent out to a lab by quote

All prints are priced at 20% off my regular price sheet.
